Exploded view diagram of a mechanical assembly, likely a firearm, showing various components and their assembly relationships. The components are labeled with alphanumeric codes:

- 202891: Main horizontal rail or frame.
- 200382C: Component at the right end of the rail.
- 201464C: Component below the right end of the rail.
- 202890: Component below the right end of the rail.
- 248295: Component below the right end of the rail.
- 200126D: Component below the right end of the rail.
- 240263: Component below the right end of the rail.
- 200973H: Trigger guard assembly.
- 244039: Trigger assembly.
- 202900: Spring component.
- 240264: Small bracket or pin component.
- 240260: Small bracket or pin component.
- 200694F: Component at the left end of the rail.
- 201525E: Component at the left end of the rail.
- 237803: Component at the left end of the rail.
- 200011D: Component at the left end of the rail.
- 240262: Component at the left end of the rail.
- 201123E: Component at the left end of the rail.
- 201148H: Component at the left end of the rail.
- 200577XC: Component at the left end of the rail.
- 240267: Component at the left end of the rail.
- 240268: Component at the left end of the rail.
- 201160E: Component at the left end of the rail.
- 200898D: Component at the left end of the rail.
- 240269: Component at the left end of the rail.
- 202603: Component at the left end of the rail.
- 200126F: Component at the left end of the rail.
- 200397H: Component at the left end of the rail.
